"Prior to the Reorganization, the pay of the Accountants varied from Rs.67/- to Rs.97/- and the Comptroller was empowered to make the appointments of Accountants of all grades. Under the reorganization there is only one grade of Accountants rising up to Rs.100/-. Under the rules, sanction of Government is necessary for the appointment of even a temporary Accountant since the maximum pay of the post is Rs.100 This will throw considerable additional work not only on this office but also on Government. I, therefore beg to suggest that the Comptroller be empowered to appoint Accountants."

Financial Secretary's remarks thereon.-

"The grant of power to the Comptroller to appoint accountants in the revised scale affects the general rule according to which all appointments on pay of Rs.100/- and upwards require sanction of His Highness. ~~In each case the delegation is specific~~. In any case this question does not arise in the settlement of the allocation."

Prior to the reorganization, the Comptroller was empowered to make appointments of Accountants of all grades on fixed rate of pay varying from Rs.67/- to Rs.97. Under the revised scale, there is only one grade of Accountants on the progressive pay Rs.65/-5-100. As under standing orders the proposals for filling up of vacancies in such appointments have to be submitted to Government for sanction, the Comptroller requests that the power of appointing Accountants in the new grade may be delegated to him. This is a general question not directly connected with the allocation of hands and is reserved for separate consideration.

1) The terms of the Secy are contained in the note attached above. Even the Secretariat all promotions to posts rising to Rs.100 are submitted to H.E. for sanction.
2) That the Comptr has powers to appoint upto Rs.97 is known to the Notification is in view of his known views.

(1) The promotion to the Grade of Accountants is now not regulated by any definite rule except that an unqualified man should not be appointed. The Comptroller is appointing either passed Accountants or Seniors exempted from passing the Examination but there is no rule prescribing the relative order of seniority as amongst promos to be appointed Accountants similar to what we have amongst Superintendents.

(2) If the power to make the appt of Accountants is to be delegated to the Comptroller and reference to Government in such matters not required, it is perhaps desirable to elaborate the existing rules so as to make the promotions automatic and add that any exception to this be made should be made with the approval of Government. It is no doubt true that the delegation of this power to the Comptroller would save -

much correspondence and after all in an office like his, the control that could be exercised by the Secretariat over the proposals made by him would be very little since the gradation list of the Comptroller's Office would be changing every day. If approved, the Comptroller will be requested to frame rules for promotion to the grade of accountants with special reference to the recent Government Order under which he has been empowered to grant exemption in certain cases and while approving these rules the power to make these appointments without reference to Government except when a violation of the rules is ~~not~~ contemplated may be delegated to the Comptroller.

12) Under Art. 52 (a) M.S.R. all appointments and promotions whether permanent, temporary or officiating to posts carrying salaries ~~on~~ fixed or rising up to Rs.100 and above require sanction of Government. Under the revised scale in the Comptroller's Office, the old fixed rates of pay to Accountants varying from Rs.67/- to Rs.97/- have been replaced by a single grade of Rs.65-5-100.

13) In proposing the reorganization of his office for converting the fixed rates of pay to Accountants to a graded scale, the Comptroller (Mr. Satyaraj Chetty) requested that he may be permitted to make appointments to the grade of Accountants, being exempted from the operation of Art. 52 (a) M.S.R. in this behalf. No orders were passed on this point when the revised scale was sanctioned.

14) When submitting proposals for the allocation of the hands in the new scale, the Comptroller again brought to notice the desirability of his being ~~permitted~~ authorised to make appointments in the revised graded scale, with a view to minimise correspondenc

and work in approaching Government for sanction to even temporary and acting appointments. This question was reserved for separate consideration. The Comptroller has now made a separate reference on this subject. As pointed out by him the power that is to be delegated to him is practically nothing more than confirmation of what he was exercising before the reorganisation.

(5) Exceptions to the provision contained in Art.52 A have been permitted in the following cases:-

1.Chief Court ,
2.Revenue Commissioner,
3.Agent, Mysore Railways.

Rules for the recruitment to the grade of Accountants have been sanctioned by Government and confirmations in this grade are subject to the incumbents passing the prescribed Accountants' Examination. The grant of exemptions to officials from passing the examination is subject to the general orders of Government.(Vide Government Order No.G.1053-112/ G.M.11-23-1 dated 12th July 1923). In view of the foregoing considerations the Comptroller's proposal to delegate to him the power to make the appointments to the Accountants' grade may be approved.

(6) In this connection, I would suggest for consideration as a measure of decentralisation that appointments ~~whose pay~~ carrying a pay or a maximum pay of Rs.100 may be excluded from the purview of Art.52 A, and that the rule contained therein may be made applicable to posts whose pay or maximum pay exceeds Rs.100/-. Final Note by the Second Member of Council.

Subject:—

Question of empowering the Comptroller to make appointments in the grade of Accountants on Rs 65-5-100.

Prior to the reorganization of the Comptroller's Office recently sanctioned, the pay of the Accountants varied from Rs 67 to Rs 97 and the Comptroller was empowered to make appointments of Accountants of all grades. In the revised scale, there is only one grade for Accountants on a progressive rate of pay, viz., Rs 65-5-100. Under Standing Orders (vide Article 52, Mysore Service Regulations), sanction of Government is necessary for the appointment of even a temporary Accountant since the maximum pay of the post is Rs 100. This arrangement will throw additional work not only on the Comptroller's Office but also on Government. The Comptroller has accordingly suggested that he may be empowered to appoint Accountants in the revised grade without reference to Government.

2. The matter was considered in Council who have resolved as follows:-

> "As the Comptroller had originally the power to make appointments up to Rs 97, he may be empowered to make appointments of Accountants in the grade Rs 65-5-100."

3. The Resolution of the Council may be graciously approved.
